Notice of Annual Meeting Schedule

On Thursday, November 15, 2018, the King City Highlands Homeowners Association will conduct its Annual Owners Meeting at the King City Highlands Clubhouse, with the following schedule:

5:30 PM to 7:00 PM - OPEN HOUSE with a LIGHT DINNER

6:30 PM to 7:00 PM – SIGN IN for the Annual Meeting

7:00 PM – ANNUAL MEETING

Immediately following the Annual Meeting there will be a short meeting of the new Board. At this meeting, the term of office for each of four current Board Directors will expire:

1. Judy Austin
2. Jerry Crane
3. Dave Platt
4. Vicki Miller

Pursuant to the King City Highlands Bylaws Article IV. Section 3 – Method of Nomination:

“Candidates for election shall file a petition of candidacy, signed by not less than three (3) members, with the existing Board at least three (3) weeks before the applicable meeting. The Board shall provide all members with a ballot containing the names of all bona fide candidates. Additionally, the Board may appoint an Elections Committee pursuant to Article V, Section 2, to place names of members in nomination. The ballot containing the names of bona fide candidates shall include the members nominated by the Elections Committee.”

Petitions of candidacy will be accepted any time prior to noon on Monday, October 22, 2018. Petition forms are available in the rack located outside of the Clubhouse office door. Our Nominating Committee (*Elections Committee*) members and any Board member will be happy to provide further information on this process as well as answer questions you may have about volunteering your service on the Board.

Parking Stickers

A reminder that Highlands parking stickers are available at the HOA Clubhouse office. They are applied to the upper left corner of the rear window in the same manner as the oil change reminder stickers commonly in use everywhere. If you foresee any possibility that you may wish to leave your car on the street for an extended period, it would make sense to get a parking sticker and apply it to the rear window.

Condo Notes

Submitted by Zoe Allen,
Chair, Highland Park Board of Directors

Welcome back Oregon rains! Summer 2018 was wonderful for growing tomatoes, trips to the mountains and beach, and enjoying all the King City Highlands summer events. It wasn't so great for **deck repairs**. The very hot weather, so many days in succession, prolonged the process and tested our patience. Thank you to the owners who lived through it, along with your cooperation and understanding.

There will be many **new maintenance projects** in the months and years ahead. I urge you to attend our monthly Board of Director meetings so you will know what challenges your Board is facing and what it's going to take to deal with these.

Because of resignations and terms ending, **four of our five Board positions will be open for election in February**. Please keep in mind that this association (your home, your investment) cannot operate without a board. Previous experience on a board is not a requirement. A background in bookkeeping/accounting or construction are helpful, but certainly not necessary.

Reminder to new owners: As soon as possible after closing on your Condo at Highland Park, please visit Mabel in the HOA office located in the Clubhouse. There is mandatory paperwork to fill out, plus Mabel will give you a packet of information about King City Highlands in general (known as the HOA) and Highland Park Condos in particular. Be sure to take proof of age with you.

Lately, we have noticed more free-roaming **housecats** on the property. To some residents, these cats are a big nuisance for one reason or another and they would like to see rules instituted to control them. They may not be Condo residents, *but if they are*, I strongly urge you to keep your pet indoors, especially at night when all kinds of dangers lurk. Full disclosure: I am a 'crazy cat lady' and have lived with a cat or cats for many years. I learned the hard way several years back that a full-grown male cat can be carried off by a great horned owl. My cats have been indoors only ever since. If you do allow your cat outside, please be sure it is licensed and micro-chipped, and try to keep it in at night.

Committee Reports

Newcomers & Activities Committee

Submitted by Lucianne Phillips

Newcomers Welcome

On Tuesday, October 23rd, there will be a Newcomers Welcome meeting at the Clubhouse from 6:30 pm to 8:30 pm. The purpose will be to provide information to new residents regarding living in the Highlands community. It has been several years since the last orientation, so all are welcome, regardless of when you moved in. Refreshments will be served.

Activities

Activity planning is under way and you will see more about the Speakers Series and Dining group in articles elsewhere in this Newsletter. The Travel group also has an informational article on a later page, and a travel survey to better understand your travel desires will be on a separate sheet as a "stuffer" in this issue — please complete and return it so that we can tailor the offerings for you. The members of the Wine Tasting planning group will be meeting, and we look forward to hearing more on HiNet in the near future. The Hikes/Walks planning group was waiting for the weather to cool off and they will move ahead with ideas soon.

Q: What did the tree do when the bank closed?

A: It started a new branch.

(from Mark Perkins)

Clubhouse Interiors Committee

Submitted by Jo Hendrickson

The CI committee will be hosting this year's Halloween Party Potluck again on Saturday, October 27th. We are looking forward to a great evening of colorful costumes, good food, and a great time. See the Special Events section for more information.

More Committee Reports

HOA Nominating Committee

Submitted by Jo Hendrickson

If you are looking for ways to serve your community, the KC Highlands HOA Board has four Director positions open and we encourage interested residents to apply. All applicants must be owners of a unit and owe no obligations to the HOA. A Director term is two years.

Participating and volunteering time and energy is an important key to the health of our community. Our Association is a business, so having Board members with accounting/bookkeeping, construction, organizational, and teambuilding backgrounds can help. The ideal Board comprises a mix of management styles and professional skills. You don't have to know everything, but you must be familiar with the KC Highlands HOA Governing Documents and the responsibilities of the job.

All residents were given copies of the Governing Documents at move-in, but if you find you need them, you can review or download at the CMI

Website <https://www.communitymgtportal.com/>. Use your password and account number for access. Click on Documents and Forms. The office also has some copies.

The Nominating Committee will have an open forum meeting to address the duties and responsibilities of a Board Director and will entertain questions on Monday, October 8th at 6:30 pm at the Clubhouse. We encourage anyone interested in learning about the Board, and especially those potential Board candidates, to attend. We also encourage those who are contacted by this committee to think seriously about getting involved. Deadline for submitting Nomination Petitions is Monday, October 22, 2018 at noon. Applications are available at the Clubhouse, in the 'forms' wall rack near the office.

Committee members:

Jo Hendrickson, Chair; Mary Anne Miles; Linda Lucero; Penny Pershey; Gary Melott; Rob Mustard

Architectural/Landscape Committee

Submitted by Mark Perkins, Committee Chair

As we wander into fall, our own yards, flower beds, and trees begin to show brilliant leaf colors before the leaves take the long slow trip to the ground. We are fortunate to have a plethora of trees in our neighborhood as they have cooled us during those long stretches of 90-degree days. However, it is now payback time and the fall work begins. So grab your rakes and leaf bags and try to forgive those maples and lindens that bless us with leaves and more.

Washington County sends a street sweeper through the Highlands community somewhat infrequently. So we are on our own and need to remember some things that are courtesies and Washington County laws:

- Please keep up with the leaves on your lawn, so your neighbors do not have to rake your leaves when they migrate on the wind out of your yard and into theirs.
- We are required to clean our own sidewalks, so please do not make large mounds of raked leaves in the streets. If we are fortunate enough to have the street sweeper come through the neighborhood, they will NOT sweep up leaves that are mounded in the street, but will drive around them. The street sweepers are not equipped to deal with mounds of leaves.
- For a "small" fee (their words— not mine), Pacific Pride will take extra bags of leaves if your yard debris can is full. There is usually a disposal weekend or two at Cook Park. They have taken leaves in the leaf bags and also unloaded from pickups. If you use a pickup or utility trailer, you must cover the leaves with a tied down tarp.
- Please try to minimize the amount of leaves you leave in the streets. When those gentle rains begin to fall and never seem to stop, the leaves will be washed to the nearest Clean Water Services grate. If there are too many leaves, water will back up and we will have our streets, driveways, and sidewalks flooded. Two years ago, I was called to the east end of Peachvale where clogged gutters caused a small lake to form. When I cleaned the grates there was so much water pressure (it was over 2 ft deep), water filled the CWS pipe and the excess was forced out the manhole in the middle of the street.

On a brighter note, the dying "rhodies" at the Clubhouse/Condo walking path will be removed and replaced with drought resistant, native flowering plants to lessen the water we use and add something different around the Clubhouse.

Activities

Living Well Speaker Series

Submitted by Linda Dufresne

Beginning this month, we are introducing a series of Sunday talks to be held at the Clubhouse. A variety of helpful and interesting subjects will be presented by people from outside of KC Highlands, as well as by neighbors from within our community. We are fortunate to have Gilbert Lee, MD, as our first speaker; he will be giving four separate one-hour talks.

An author/lecturer, Dr. Lee graduated from the University of Oregon and later went to OHSU, becoming an Internal Medicine physician. He practiced medicine in Newport, OR for 20 years and in Bend for 10 years. He became President of the Lincoln County Medical Society, a Delegate to the Oregon Medical Association, and President of the American Society of Internal Medicine. He also worked with Senator Packwood to write and pass legislation on major Medicare reform. Later, he acted as a medical resource on healthcare issues for Senator Hatfield, and then Representative Ron Wyden.

Dr. Lee helped introduce Medicare Advantage coverage to Lincoln County, as well as other initiatives to make healthcare more cost-efficient and more inclusive to the population. In Bend, he focused on the development of electronic medical records. Since retiring, he speaks on health topics, writes, and gives advice on Medicare insurance. One of his writings, entitled **Doctor's Survival Guide Series, Mindful Eating: You are What You Eat**, is used as a resource for much of the upcoming series:

Talk #1-- Sunday, Oct. 7th at 2 pm: *Understanding the "ins and outs" of Medicare.*

Talk #2 -- Sunday, Oct. 21st at 2 pm: *Learn how the right "fats" can be good for your diet and how they can reduce your carbohydrate consumption.*

Talks #3 and #4 will be Nov. 4th and Nov. 18th; look for details in the November *Highlights* issue.

Mark your calendars now,
and also invite family and friends to attend!

Questions, contact
Linda Dufresne at (503) 519-5743.

Book Club

Submitted by Judy Sutton

Our next book club meeting will be in November. We meet on the 3rd Wednesday at 1:30 pm at the Highlands Clubhouse. Since our regular meeting will fall on the day before Thanksgiving, please check your **November** newsletter for any change in date.

Our November book selection is Daniel Brown's **Under a Flaming Sky**, published in 2007. It is a non-fiction that tells about the Minnesota Fire of 1894. Come join us in November for a lively discussion. We serve coffee and treats too!

For more information, contact Judy Sutton at (503) 639-1752.

Bible Study

Submitted by Harmon Sommer

October 2nd - Matthew Dutton will lead this evening's Bible Study. He is a fairly recent graduate of a Bible college, and has experience in teaching God's word to children as well as adults. His life goal is to bring Biblical truths to all generations. We look forward to this young man being with us.

October 16th - Pastor Andy Knezevich wears 'many hats' in his various roles as a husband, as well as being a father of four busy, little children. He is a full-time employee in a hi-tech firm; in his Beaverton church, he has teaching responsibilities, and works with college and career young adults. We always look forward to his being with us—and his family also—as they make our hearts "smile."

These presentations start at 7 pm. They are non-denominational and the messages and the music are one hour in length, followed by coffee, refreshments, and fellowship. All Highlanders are encouraged and invited to attend.

Activities

Movie Nights

Submitted by Nancy Crandell

Movie Nights for October Will Be the 2ND and 4TH Fridays at 7:00 pm

FRIDAY, OCTOBER 12th — To celebrate harvest season, we will enjoy Rodgers & Hammerstein's "**STATE FAIR.**" In 1945, at the end of WWII, the first version was made as a release from the limitations we endured for several years and to celebrate the American farmer. In 1962, it was released in a new color version starring Pat Boone and Ann Margret. Classic songs that we still enjoy are front and center as a farming family prepares for, and attends the largest event of the year. You will have the chance to help choose which version we will watch together.

FRIDAY, OCTOBER 26th — In preparation for Halloween, we will enjoy the classic 'Who done it?' movie. "**CLUE**" is based on the world-famous board game. This movie takes us through a murder mystery as we guess the identity of the killer (Miss Scarlett? Colonel Mustard? Mrs. Peacock?). This murderously funny movie makes an entertaining evening with a surprise ending. Come and speculate with us.

KCH Dining Club

Submitted by Connie Armstrong

The KCH Dining Club has chosen the *Clockwork Rose Tea Emporium* at 12412 SW Broadway in Beaverton for its **November** outing. Please mark your calendars for Saturday, November 10th, 4:00 - 6:00 pm. This delightful "steampunk" tearoom will entertain us and sustain us for two hours with High Tea items such as tea sandwiches, soup/salad, savories, scones, and desserts. The set price is \$34.00 plus 20% tip (total \$40.80). Some accommodation of dietary restrictions is available, but an additional fee may be involved.

Clockwork Rose is a small family-owned and operated tearoom. It requires a credit card (Connie Armstrong will provide hers) on file to hold a reservation and will charge the card in the event of no-shows or failure to notify reduced numbers. Due to this quirk, we request that you pay in advance. You may send or bring your payments to Connie Armstrong or Fran Hardiman **no later than NOVEMBER 1st**. Checks are preferred, made payable to Connie Armstrong. If you pay in advance, but then are unable to attend, the restaurant will make up a to-go box for you.

As we get closer to Nov. 10th, we can work on arranging transportation via carpooling and/or using Uber. Meeting at the Clubhouse may be the most convenient.

Connie Armstrong, 12741 SW Bexley Lane

Arts & Crafts Faire/Cookie Bar

Submitted by Nancy Crandell

We invite you to participate in this great, fun activity **Saturday, December 1st**—it's not too late to sign up for a table. Don't think you have enough for a table? You can share one! If you want to exhibit, but not sell something you've made, you can do that.

The Faire/Cookie Bar is an opportunity to share your talents, and meet neighbors and friends. Time to dust off those Christmas cookie recipes, bake, share, and enjoy delicious goodies (for charity).

The Faire is also just in time to do some holiday shopping, and make some \$\$ as fruits of your labor!

If you need to find out more, have questions, ideas—including publicity ideas, please call Nancy Crandell at (503) 746-6701.

Walking Aerobics

Submitted by Lorene Guill

Walking Aerobics continues every Tuesday and Friday at 9 am in the Clubhouse. The exercises are done via video tape from the TV screen. The moves are easy to follow—the exercises involve your arms, core, legs, flatten your belly, burn calories, and supercharge your energy. The session starts with a warm-up walk and gradually builds up to fat-burning speed. Come join this fun group!

Contact Lorene at (503) 502-2574

Special Events

Labor Day Pancake Breakfast Submitted by Gary Melott

The pancake breakfast was a wonderful success as we served 133 people. On behalf of the 15 men volunteers, we thank each and every one that came, plus all the people who came back for seconds! If it wasn't for the people of our Highlands community, family, and friends, this could not have happened. **THANKS TO ALL!**

The Great Baked Potato Party

Submitted by Ed Benberg

SATURDAY, OCTOBER 6TH

Social at 5:30 pm Dinner served at 6 pm

At just \$5.00 per person, potatoes are hand-picked just for you. Toppings include butter, sour cream, chives, and real bacon bits.

There will also be a nice green salad and a wonderful ice cream cake dessert by Gary Melott. Invite family, friends, and neighbors — all are welcome!

Our honored guests this evening will be the original house and condo owners who still live here.

Please sign up by Thursday, Oct. 4th
Signup sheet is posted on the Clubhouse bulletin board.

More Events & Activities

Special for October—Halloween Party Potluck

Submitted by the Clubhouse Interiors Committee - Hosts

Fright night will soon be upon us—mark your calendar for **Saturday, October 27th**!

The Highlands coven will be gathering on this spooky evening for a **Halloween Party Potluck**—come and have some fun!

Costumes are encouraged but not mandatory.
Prizes will be awarded for the best guy and best gal costumes.

Be creative and enter the Jack-O-Lantern challenge. Engage the family and make it a shared experience by either carving a Jack-O-Lantern or submitting a painting/other media type of pumpkin. Bring your work of art with you to the potluck, and everyone attending will vote for the 'Best' in both categories – 'Best' being up to interpretation that night!

— For the Potluck, bring a Hot Dish, or Salad, or Dessert, or any fantastic ghoulish preparation you wish! —

Last year, there were great costumes which made for a fun evening...

— Invite family and friends —

— BYOBeverage —

— Social at 5:30 pm & Dinner at 6 pm —

Signup sheet is on the bulletin board

Highlands Travel Notes

Submitted by
Wendy Gardner

What's On Your Bucket List?

Mark Twain once said: "Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did. So, throw off the bowlines, sail away from the safe harbor. Catch the trade winds in your sail. Explore. Dream. Discover."

Travel is one of life's most exciting pastimes. Discover new regions and revisit old favorites. Due to an interest in travel from the recent survey, we are looking at organizing a Travel Club to meet this wanderlust within you. However, in order to make your travel dreams come true, we are asking for a bit more input from all of you. Please let us know where your wanderlust wants to take you—a trip to Italy, Machu Picchu, India, New Orleans? Do you enjoy ocean and/or river cruising? Would you be interested in attending a Travel Show or Cruise Night at the Highlands Clubhouse?

As you may be aware, our good neighbors at Summerfield do have a Travel Cub and have extended an invitation for us to join their trips. Flyers/brochures about those trips can be found in our Clubhouse.

A Travel Survey is enclosed within this issue as a separate sheet "stuffer" for you to complete and return.

Library Whisperings

Submitted by Bobbi Siegel, Librarian

Did you know that you may take the large "coffee table" books to your home to enjoy? We have several of these over-sized books that are beautifully illustrated and are perfect for a coffee table type of setting. They are on the shelves throughout the library. Please enjoy them as well as our other books, puzzles, and DVDs.

Dominoes (Mexican Train)

Submitted by Lorene Guill

The two groups continue playing each week—Monday and Wednesday, 2-4 pm at the Clubhouse. It's an easy game to learn, and there are seasoned players to help "newbies." There's lots of fun and laughter, and both men and women are welcome. Come join us!

Contact Lorene at (503) 502-2574

Announcements & Items of Interest

Attention Snowbirds!

Submitted by Mabel Weber

Fall has arrived, and I imagine you Snowbirds are thinking of flying off to warmer weather. We would like you to come into the office and complete a Snowbird form so we know when you will leave and return. I can also e-mail the form to you if that helps.

There will be forms in the literature rack to the right of the office door. If the office is closed when you come, please complete the form and put it in the outside mail drop slot to the left of the front door.

If you want to receive the *Highlights* by e-mail while you're away, please make a note of that also. Thank you!

Contact Mabel at the Highlands Clubhouse during office hours if you need further assistance.

**Yesterday, when it was tomorrow,
it was today — and then,
there were just too many "days" !**

— A "Pooh-ism"

Animals... Submitted by Dave Platt

The HOA Board has received several recent complaints concerning animals that are running free in the KC Highlands community – most often pertaining to cats. We do, however, recognize that some cats may actually come from outside our community.

Just as a reminder, the following is the restriction defined in the CC&Rs (which all owners have signed agreement to):

CC&Rs, ARTICLE VI, Section 3. Animals

"Other than a maximum of two (2) pets per Living Unit, no animals or fowl shall be raised, kept, or permitted within the Property. No animals of any kind shall be kept, bred or raised for commercial purposes. All pets shall be confined to the Owner's Living Unit or Lot and shall not be permitted to run free or otherwise to be or become a nuisance or source of annoyance to other owners or occupants."

This is also a good time to reiterate our long-standing warning that leaving garage doors partially raised is an open invitation to the numerous wild creatures such as skunks, possums, coons, and coyotes to choose co-habitation in your very own garage.

More Information from Agilyx Recycling Co.

Submitted by Quila Bowlés

Referring to the *Highlands Highlights* September article regarding this recycling company, the following additional information was found in the recent September issue of *Tigard Life*.

Agilyx is becoming known in the area for recycling and being an alternative energy company that takes common materials not currently accepted through curbside programs.

In addition to the items reported in our previous article regarding Styrofoam recycling, *Tigard Life* reported that Agilyx also accepts #6 plastics, which include take-out containers and meat trays, disposable cups, cutlery, as well as agricultural seedling trays and pots, and CD cases. *The key is to look for the #6 stamped on the containers and items.* As with the Styrofoam items, there is no drop-off charge.

The next steps for Agilyx is that they are working on additional collection sites. They encourage the community to visit their website for updates at www.agilyx.com, or you can call (503) 217-3160. They can also be followed on Twitter and Facebook.

Be SMART at Deer Creek School

Submitted by Edie Jensen, Deer Creek School Volunteer

About 40 kindergartners and first graders are ready to welcome you and other volunteers with bright smiles and hugs as you help them develop a love of reading through the **SMART** program: **Start Making A Reader Today.**

A **SMART** volunteer spends an hour each week during the school year reading one-on-one with 2 or 3 children, modeling and fostering a joy of reading while supporting the child's efforts to read independently. Volunteers are paired with the same children each week, thus developing a mentoring relationship with each of them.

Beginning in mid-October, the program will operate weekly on Wednesdays from 8:30 am to 10:30 am. Of course, you may be a volunteer for either one or two hours with different children. A "Welcome" meeting will be held at Deer Creek School for volunteers prior to meeting your children.

The first step to becoming a volunteer is to complete a Tigard-Tualatin School System application. The form is available online at www.helpcounter.net/ttsd. A background check is required. The second step is to access the **SMART** website at <https://www.getsmartoregon.org/volunteer/>. You will be asked to complete an on-line orientation and then request a second required background check.

You will find volunteering at Deer Creek School an extremely rewarding experience. The outstanding staff creates an atmosphere focused on nurturing learning -- that means enhancing academic and other abilities as well as responsible behavior.

Questions? Contact Dina Christophersen, Reading Specialist, at dchristophersen@ttsd.k12.or.us, or Kate Manelis, volunteer coordinator, at (503) 789-9057 or e-mail at kate.manelis@gmail.com.

Mark Your Calendars

Reminder: Mark your social calendars for December 12th for the annual *Christmas Dinner* — there will be a lot more information coming later...

IN MEMORIAM

Richard Ortez, who lived at 12730 SW Bexley Lane, passed away on September 4th.

A memorial service will be held in October. Our sympathies go out to the family.

"Celebrations"

These announcements are strictly voluntary and will not be put in the Newsletter without your permission. You are welcome to submit them by our monthly deadline for the following month to:
